ACIDIC INDUSTRIAL DETERGENT

**SHOWER, TUB & PORCELAIN,
CERAMIC TILE CLEANER**

LIFTS AWAY LIME,
SCALE & SOAP SCUM

DESCRIPTION:

This detergent is a powerful cleaner for use on kitchen tile or shower room tile walls, floors, tubs and fixtures. This product's hardworking active blend of mild acids quickly and effectively cuts through and dissolves soap scum, grease, food fat, lime deposits and scale from tiles, grout, ceramic or metal fixtures. This product does not contain any fuming harsh acids which cause unpleasant odors. This cleaner is versatile: It can be used to clean multiple restroom and kitchen surfaces such as sinks, tile floors, glass shower doors, drinking fountains and anywhere that grease, lime scale and scum deposits are a problem. This detergent is not harmful to most surfaces when used according to directions. Cleaner contains biodegradable detergents.

DIRECTIONS:

To clean shower stalls, fixtures, drinking fountains, ceramic tile, floors, walls use 2 ounces detergent per gallon of water. To remove rust, oxidation and heavy carbonated, use detergent undiluted. Allow

EXPOSURE:

This product may cause moderate to severe irritation and possible tissue damage to eyes depending on exposure. Nausea, vomiting and diarrhea may occur upon ingestion. Prolonged skin contact may cause severe irritation, defatting and dermatitis.

SAFETY CAUTION:

It is recommended that protective gloves and safety glasses be worn when using this product. Make sure there is adequate ventilation. Refer to M.S.D.S. for additional safety information.
