

HERTRON STONE SYSTEMS

PRIME GRIND FORMULA

A

A component of the HERTRON PRIME GRIND System, designed to be used with PRIME GRIND M to create deep luster in stone surfaces. Also used with PRIME GRIND M to restore heavy traffic patterns.

DIRECTIONS: For best results and ease of use, we recommend PRIME GRIND A & M be used together. Apply PRIME GRIND A by misting an area of about 10 square feet. Spread with low speed buffing machine with #0 steel wool pad, then apply two sprays of PRIME GRIND M to center of area and buff until dry. This procedure is followed until entire area is completed. Coverage 1500 to 2500 sq. ft. per gallon.

WARNING: CORROSIVE

Avoid breathing of fumes. Maintain adequate ventilation. May cause skin, eye and mucous membrane irritation. If in contact with skin, flood with water for 10 minutes; wash with soap. If in contact with eyes flush with water for 15 minutes, If ingested, drink several glasses of water and induce vomiting; call physician.
