

Verde Powder

Designed for green marble with dark grout

DIRECTIONS FOR USE:

- After sprinkling approximately 1 oz. of *Verde Polishing Powder* per square yard onto floor, spray 1 oz. of *Verde Polishing Liquid* over same area.
- Polish with a stainless steel wool pad until smearing disappears.
- Repeat process over entire floor.
- If finish is satisfactory, use a clean (new) stainless steel pad with 1 oz. *Verde Polishing Liquid* and buff until dry.

WARNING: CORROSIVE, POISON.

- Contains Oxalic Acid. Avoid breathing dust. Maintain adequate ventilation. Keep container tightly closed when not in use; this material will absorb water and carbon dioxide from the atmosphere. May cause skin, eye and mucous membrane irritation. Wash thoroughly after handling. For eye contact, flush with water for 15 minutes. If ingested, drink several glasses of water and promptly call a physician.
